# LOGISTICS TRANSPORT EXPRESS LOAD

OUR LONG LASTING EXPERIENCE, MODERN TECHNOLOGIES AND EXTENSIVE KNOW HOW ENABLES US TO ALSO DELIVER YOUR GOODS – FAST, SAFE AND AT FAIR VALUE.

Since the beginning of CARGOWAYS Logistik & Transport GmbH the name stands for innovative transport and logistic solutions at its highest quality level.

The key to success for our business is a tight network of contacts and partners all over Europe. Whether delivering individual parcels, part consignments or entire shipments, our young and professional staff know all about the individual transport markets and are aware of the particularities of each country.

Providing top quality service depends on top quality personnel. Highly motivated and well-trained staff take the maximum effort to do justice to our policy of providing the highest quality.

Precise complaint analysis, careful selection of suppliers and associates, and above all, comprehensive internal and external employee and management trainings are just some of the instruments used to assure our high standards.

*"QUALITY IS NOT A MATTER OF FORTUNE,  
IT'S A RESULT OF INTENSE THINKING."  
John Ruskin (1819 - 1900)  
British Art Critic, Social Economist  
and Social Reformer*

## SERVICES

### PART AND FULL LOADS

We organize your full or part load throughout Europe. With daily departures from all the major origins we can ensure quick availabilities and fast transactions. Our experienced transport managers will surely find the ideal solution for your enquiry.

### EXPRESS LOADS

Our highly sophisticated network enables us to determine, collect and deliver your load 'just in time'. Regardless if it is a single pallet or a full load, we look forward to your request.

### ADR/HAZARDOUS GOODS

Our fleet is well equipped for transporting hazardous goods. We are a reliable and professional partner for all ADR categories. Enquire with our ADR experts.

### EXHIBITION AND PROJECT MANAGEMENT

As a responsible service provider we put your project into our hands. From developing the concept through processing the actual transport we stand by your side as capable partner. Numerous clients already trust in our service.

### HIGH VALUE

Sensitive technical or high value goods of all kinds are delivered safely by using CARGOWAYS. A modern infrastructure comprising of GPS monitoring and Geofencing will provide you with the necessary assurance to put your goods in our hands.

## SENIOR MANAGEMENT

Stefan Fragner started his career in transports already 2001 after finishing his education with focus on languages. He was working in various transport organizations in Italy, Switzerland Germany and Austria for over 13 years and saw all the changes in the industry during that decade.

His long lasting expertise, extensive Know How and all his contacts throughout the transport industry are most valuable assets for CARGOWAYS.

Michael Duben started 2001 his business career as trader and business developer at Finanzinvest Holding GmbH after finishing his commercial education. Over the years he took a leading role in establishing a British subsidiary for the holding group in the financial sector and established a Coworking- and Business Center called BASISLAGER in Austria.

During his time he was working in various management roles and CARGOWAYS benefits from his experience in management over many years, his extensive Know How in business development and opening up new markets.
